ITEM-330:

Two actions relative to the 25th Street (Market Street to

Russ Boulevard) Underground Utility District:

(Centre City Community Area. District-8.)

Subitem-A: (R-86-1855) ADOPTED AS RESOLUTION R-265713

Establishing an Underground Utility District to be known

and denominated as the 25th Street (Market Street to Russ

Boulevard) Underground Utility District.

Subitem-B: (R-86-1856) ADOPTED AS RESOLUTION R-265714

Authorizing the expenditure of an amount not to exceed

\$5,500 from CIP-37-028, Federal Revenue Sharing Fund 18014,

for the purpose of administering the 25th Street (Market

Street to Russ Boulevard) Underground Utility District,

minor City Force work and other related work.

CITY MANAGER REPORT: The proposed district will underground

the overhead utility facilities on 25th Street between Market

Street and Russ Boulevard. This is a scheduled project in the

Calendar Year 1987 Capital Improvements Program. The formation

of this district will require the affected property owners to

underground the portion of their utilities on their parcel prior

to removal of the overhead utilities. The total number of

affected properties in this district is 34, of which 13 are

single-family residential properties, and 21 are commercial or

multi-family properties. A typical cost range for a licensed

contractor to perform this conversion work on residential

private property is \$600 to \$1,100. Conversion costs on

commercial properties may vary from \$600 to several thousand dollars or more due to differences in service size and location. Council Policy 800-2 provides for the use of San Diego Gas and Electric Company's Annual Allocation Funds (Case 8209) to make reimbursement payments to affected property owners based on the length of their electrical service trench. A future resolution will establish the date for removal of overhead utilities as the undergrounding work approaches completion.

Aud. Cert. 86826.
